

Healthy Cities Healthy People

## Healthy Cities, Healthy People Summary

# Healthy Cities, Healthy People

- The ***purpose*** of this initiative is to **support a network of city leaders**
- The ***longer-term aim*** is to mobilise substantial and sustainable support, including financial resources to support multi-sector action on NTDs and vector-borne disease
- Particular attention needs to be given to **secondary cities which often lack the political power, resources and support of national capitals** and commercial centres.
