

**DOMESTIC RESOURCE MOBILISATION
FOR MALARIA BY MEMBERS OF
PARLIAMENT**

by

**Hon. BATUWA TIMOTHY LUSALA
MP JINJA WEST**

Chairperson Uganda Parliamentary
Forum on Malaria,

&

SHADOW minister of Health

This is the process through which countries raise and spend their own funds to provide for their people.

RESOURCES FOR MALARIA:

- a) Finances (NHIS)
- b) Human resource (labor, experience, skills, & expertise)
- c) Materials (Health facilities, equipment, medicines & supplies)

PROCESS OF DRM:

1st Organizational Mgt & Dev't.

2nd Communicating &

Prospecting.

3rd Relationship Building

Organizational mgt & dev't...

- (1) Identifying people who share the same interest and managing that relationship.
- (2) Creating & Implementing a strategic plan for the purpose of stewardship.
- (3) Reducing the knowledge Gap

Communicating & Prospecting...

(1) Identifying the various stakeholders and establishing areas of collaboration. Matching DRM strategy to the Prospect. E.g: motion on an agency after PMI report.

Relationship Building...

(1) intensifying commitments.

(2) Expanding to neighboring countries.

(3) Formulate mechanisms and targeted approach. Eg; blood banks & access to Blood, upgrade of health facilities, EMS.

UPFM...

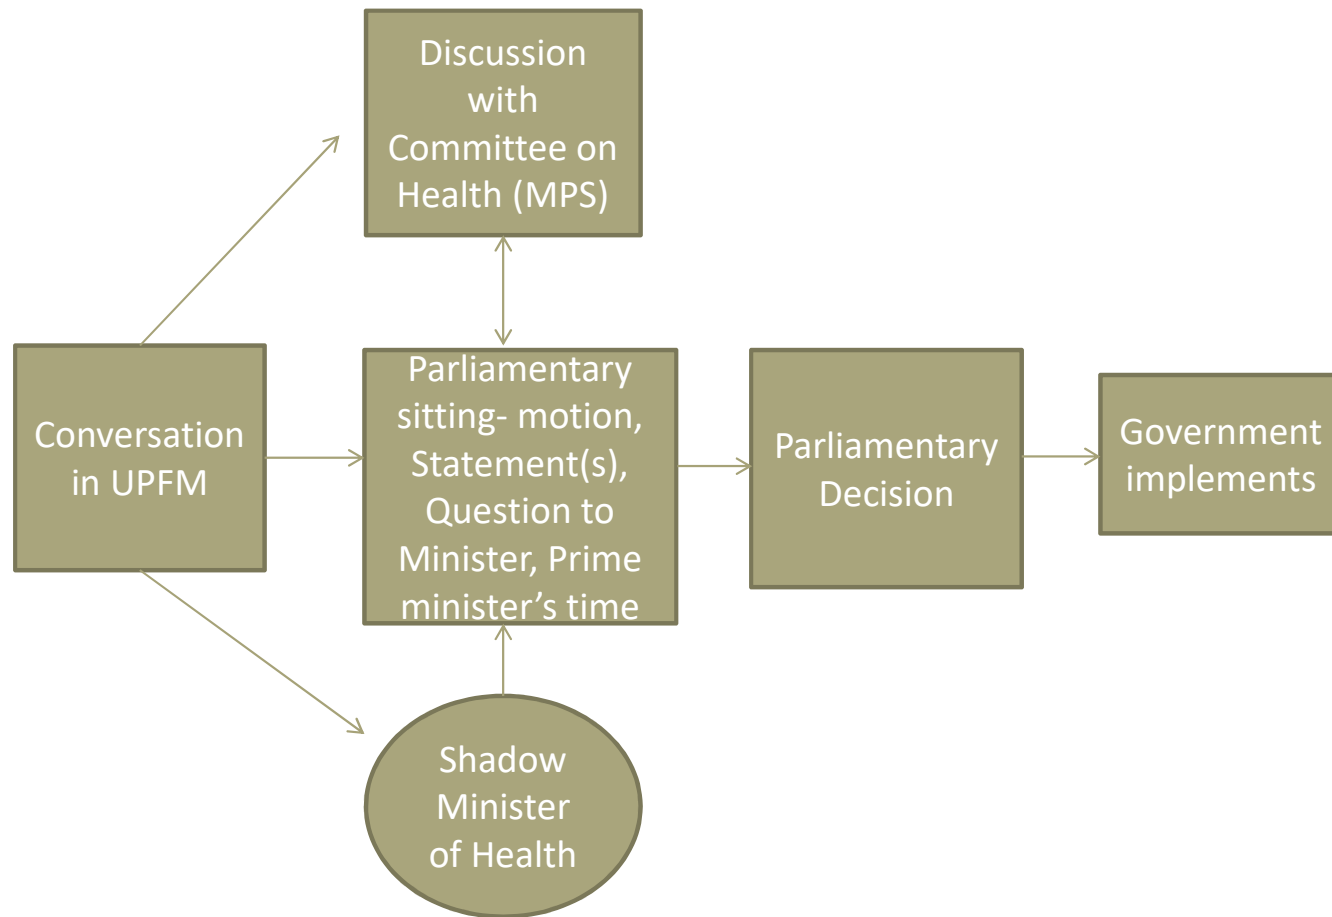

a) formed by a resolution of Parliament and launched by HE president on 5th/04/2018. all political shades. A unique stakeholder with constitutional mandate to finance, legislate, oversight & represent.

Partners...

**Ministry of Health, USAID, UKAID,
Global Fund, UNICEF, PMI, WHO,
CDC, RBM, PILGRIM AFRICA,
AMREF, HEPS, PATH,
UG-UK Health
Alliance, Clinton Foundation,
All party Parliamentary Group
on Malaria and neglected tropical
Diseases, Malaria No more, ALMA,
SPEED, PACE, Chase Malaria, CHAI,
PSI, CEPA, AFIDEP, Malaria
Consortium, Target Malaria, etc.**

Engagements & Progress...

- 1) Public Health Act.
- 2) MAAM: Community visits, Malaria Walk, dialogue, outreaches,
- 3) Mobilizing for general acceptance of IRS.
- 4) More financing to MoH, UBTS, etc.
Urge gov't to Deploy boat ambulances, Medical interns; HR-Structure.
- 5) UPFM Strategic Plan engagements.
- 6) Malaria Score-Card review sessions.

CHALLENGES...

- (1) Corruption & Over reliance on financial debts.
- (2) Divisive Politics.
- (3) General Acceptance (one of the most important reform was **abolishing user fees in GoU units** which was followed by surge)
- 4) Malaria seen as a medical problem not an economic problem.
- 5) Incumbent Membership.

Opportunities...

- a) Domestic co-financing requirements as a condition to receive grants. (GAVI and Global Fund).
- b) National Health Insurance Scheme law.
- c) oversight that is Malaria Specific to limit over-paying for commodities, Corruption.
- d) Malaria Fund. Political commitment.

Weakness...

- 1) Areas of impact on oversight of malaria.
- 2) Knowledge Gap
- 3) UPFM Secretariat is our engine however, it has few parts, no oil, no fuel, though its operating.

Strength...

- 1) Our Patron: the Deputy Speaker of Parliament of Uganda; Rt. Hon. Thomas Tayebwa.
- 2) A very Big Membership of incumbent & committed Parliamentarians. Membership of the Chairperson & Members of the Parliamentary Committee on Health.
- 3) Availability of a secretariat.

THANK YOU
