

RBM VECTOR CONTROL WORKING GROUP (VCWG)
12th Annual Meeting 8-10th February 2017

Moevenpick hotel
Route de Pré Bois 20, 1215 Geneva

AGENDA

Objectives of the 12th Annual RBM VCWG Meeting

To discuss within the Work Streams the proposed work plans, ratify the main projects and present those on the Plenary. The work plan activities are being funded by Partners and coordinated by the Work Stream co-leaders and the co-chairs of the Working Group. There are funding gaps and therefore a need to redouble efforts to mobilize resources to undertake all of the prioritized activities.
