

Partnership To End Malaria

CRSPC Country Resource Mobilization & Advocacy Workstream (CReMA) November 22, 2023 West & Central Africa SRN Meeting

Co-chairs
Anna McCartney-Melstad, JHUCCP
Jessica Rockwood, IPHA

Advocacy & Resource Mobilization Opportunities

What we know and are comfortable with:

- Global Fund
- PMI

Financial partners needing Ministry of Finance engagement and approval:

- World Bank/African Development Bank
- Islamic Development Bank/Other regional bodies

Other

- End Malaria Councils and Funds
- Bilateral Funding Institutions

BUT HOW?

CReMA Technical Assistance Requests

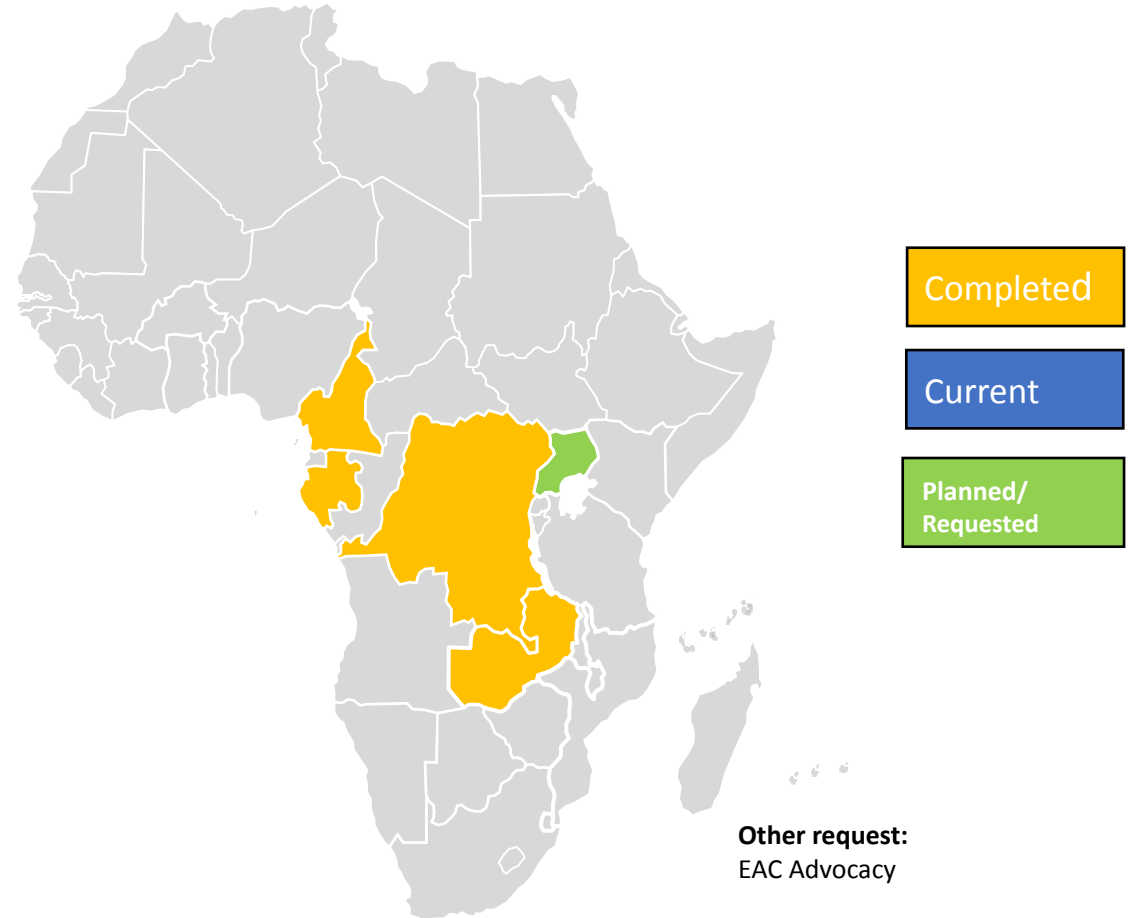

Resource Mobilization & Advocacy

Expected TA is not being requested

Anticipated 2022/2023 TA requests not received

- Angola
- Gambia
- Malawi
- Mauritania
- Namibia
- Nigeria
- Somalia
- Sudan
- South Sudan
- Tanzania
- Zambia

Expectations for 2024?

CReMA Technical Assistance Requests

Malaria Matchbox needing additional \$\$\$

Highlights of current countries:

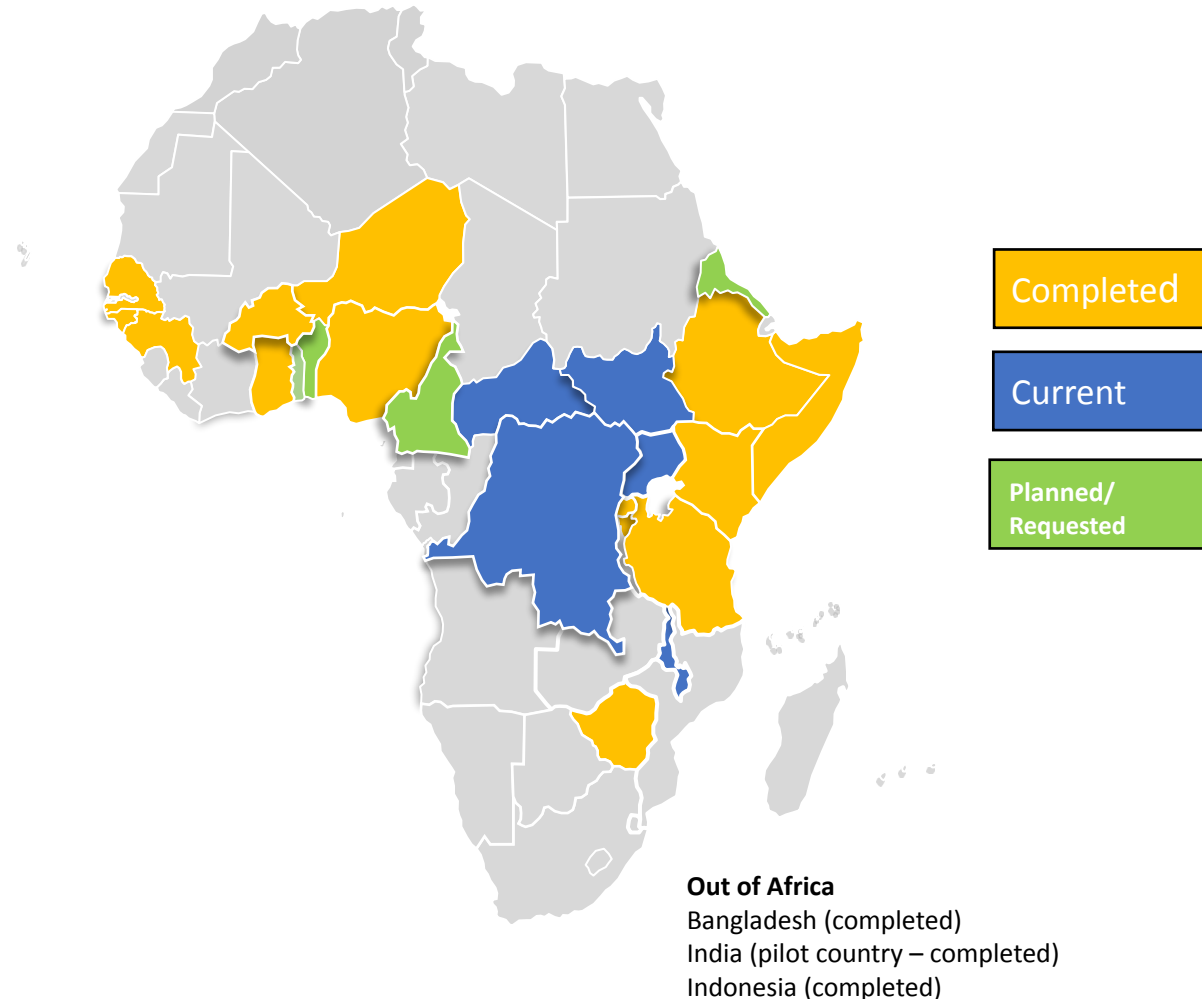

- DRC: Phase I complete – Phase II timing concerns
- Eritrea: Scope unclear
- Uganda: Phase I complete, Phase II in process

Priority Countries with no request:

- Cameroon
- Chad

Non-priority (expected):

- Comoros
- Madagascar
- Yemen

Current constraints for Technical Assistance

Limited consultant rosters and language capabilities

- No costing/modeling consultants (RM)
- Limited fluent French speakers – No Portuguese speakers
- Anticipated TA not being requested

Reporting & quality control

- Draft and final reports are not being sent CReMA co-chairs for review and thus creating quality control issues

Donor Financing and Procurement Landscape for Vector Control

Country and Donor Engagement – Regulatory, NSP and Procurement Planning

The Global Fund is the largest procurer of commodities, essential drugs, and equipment utilized in HIV, TB, and Malaria programming

- Up to 50% of GFATM funds are utilized for procurement depending on the grant agreements and procurement plans
- PMI and other institutions account for the remainder – not including country financed procurements

Partnership To End Malaria

Thank you!
