10th Annual Meeting
RBM - VCWG

28-30 January 2015

Meeting Objectives & Agenda

3-Point Theme for VCWG in 2015

Introspection

Recalibration

Improved utility going forward

Goal

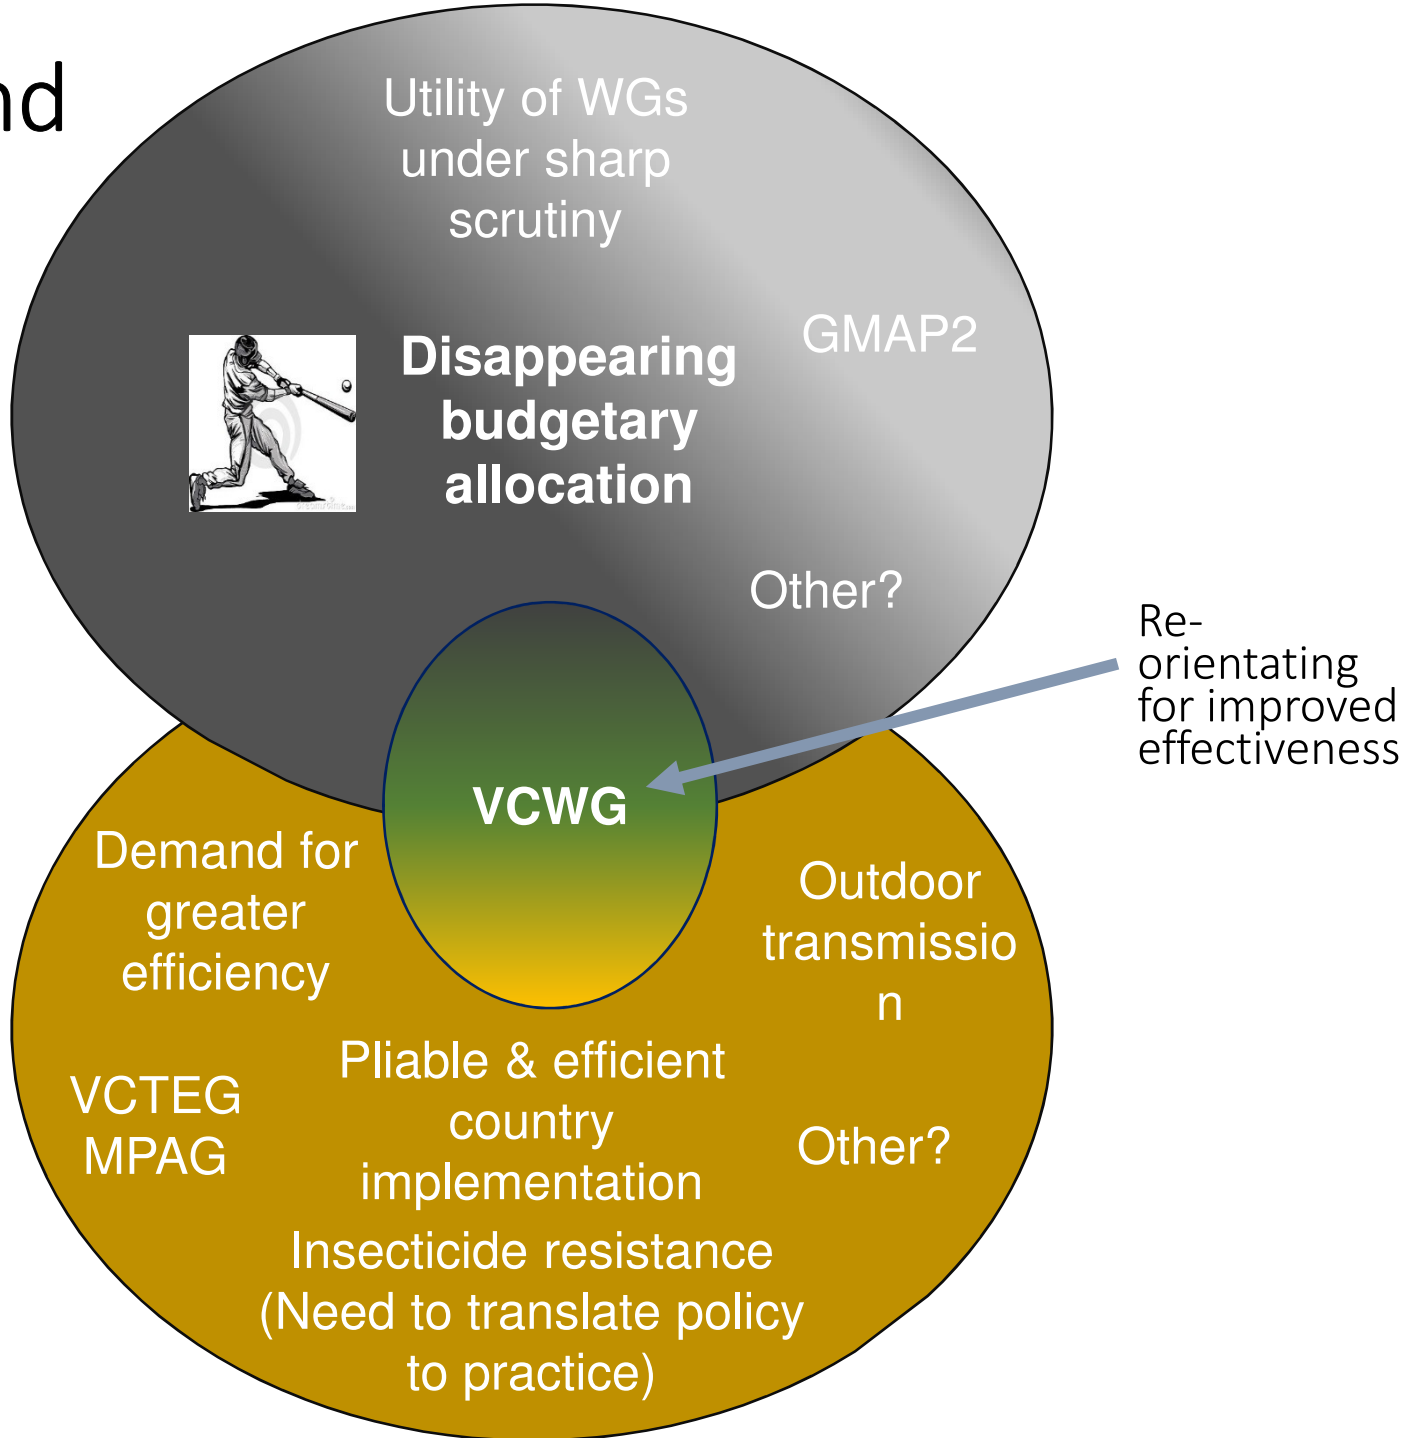
Reorient VCWG priorities and actions to more effectively

- Support countries (via SRNs, partner-implementers etc.)
- Facilitate global policy/agenda through

Changes and Needs

Internal environment

External environment



Meeting Objectives

Develop consensus on the following:

- Priorities and opportunities to enhance technical support to countries, and facilitate/agenda development at the global level
- Opportunities to mobilize resources for VCWG activities, including targeted funding/secretariat support for individual work-streams
- Making the work-streams more effective and more closely matched with overarching VCWG priorities and goals.

Work agenda

Plenary sessions

- Provide background and context for introspection on our performance
- Review output of work-stream deliberations and reach overarching consensus

Work-streams - Focus on reaching consensus on:

- Ways ("how") to improve on effectiveness of work work-stream
- Priority activity areas
- With an eye on some foundational activities that can attract funding investment/support
- Propose recommendations for plenary consideration

Wednesday 28th January 2015 Day 1 Salle II		
8:00 – 9:00	Registration
