The RBM Partnership Board took note of this information.

III RBM SECRETARIAT UPDATE Of 30 JANUARY 2018

The Board Chair referred to the pre-read published and noted that the Secretariat had been involved in various activities in accordance with the Strategic Objectives set.

The Board Chair invited the CEO to present the highlights of the RBM Secretariat Update since last meeting.

Board Members expressed their congratulations and satisfaction to the CEO and the Management Team for the successful achievements to date, and for the new presentation of the updates against the Strategic Objectives set. Board members requested that the RBM Secretariat updates in the future be output/outcome oriented instead of process oriented.

The Board Chair invited Board Members to communicate online for any additional questions and queries.

The RBM Partnership Board took note of this information.

IV GOVERNANCE

The Board Chair thanked Mr Matta, WHO Alternate, for sharing questions and comments in advance from his review of the governance related Board meeting pre-reads.

The Board Chair recalled that the Standard Operating Procedures (SOPs) for the Working Groups had been approved at the November 2017 meeting, and that three Working Groups had submitted their updated Terms of Reference for the Board’s review and approval.

The Board Chair confirmed that the Terms of Reference for the other two working groups: Vector Control Working Group (VCWG) and Case Management Working Group (CMWG) would be submitted as pre-reads for review and discussion at the meeting in April.

The Board Chair invited the COO to highlight the key items under the Governance items on the agenda.
IV.a  RBM Working Groups’ Terms of Reference of 31 January 2018  
RBM/B08/2018/DP02

The COO presented the RBM Working Groups’ Terms of Reference for decision, as well as summarised the comments of Mr Matta.

The CEO confirmed that the Secretariat would closely monitor participation from malaria-endemic countries, as well as the work of the Working Groups to ensure alignment with the TORs in place and avoid any conflict of interest.

The Board Chair thanked Board Members who had submitted their comments in advance of the Board Meeting teleconference, and added that this practice would be encouraged for future meetings as well to facilitate the efficiency of the discussions.

Provided that the Secretariat would revise the wording of the TOR in accordance with the WHO recommendations, the RBM Board unanimously approved the Terms of Reference for the Monitoring and Evaluation Reference Group (MERG), Malaria in Pregnancy Working Group (MiP WG) and Social Behaviour Change Communication Working Group (SBCC WG) of 31 January 2018 reference RBM/B08/2018/DP02 and tasked the Secretariat with their implementation after revision.

IV.b  RBM Financial Management Guidelines of 31 January 2018  
RBM/B08/2018/DP03

The Board Vice Chair recalled that the RBM Financial Management Guidelines had been requested during November 2017 meeting, and added that this document had already been reviewed and endorsed by the Finance Committee. The Board Vice Chair invited the COO to present the guidelines.

The COO confirmed that the guidelines were part of the RBM/UNOPS Standard Operating Procedures. The COO highlighted that it was proposed that over expenditure of less than 10% could be approved by the CEO as long as the over-expenditures approved by the CEO did not surpass the amount of the Strategic Initiative Reserve.

The RBM Board unanimously approved the draft RBM Financial Management Guidelines of 31 January 2018 reference RBM/B08/2018/DP03 and tasked the Secretariat with their implementation.

IV.c  RBM Goodwill Ambassadors Policy of 31 January 2018  
RBM/B08/2018/DP04

The Board Vice Chair recalled that the RBM previously had a Goodwill Ambassador Policy under WHO. The Board Vice Chair added that, as part of our revitalised Partnership, the Secretariat had worked on adapting that policy in accordance with the UNOPS legal framework.
The Board Vice Chair explained that there were two main changes:
• the designation of the Goodwill Ambassadors could only be made by the Board, and
• no honorary contracts could be provided to the Goodwill Ambassadors.

The Board Vice Chair invited the COO to present the proposed policy.

The COO presented the RBM Goodwill Ambassadors Policy as per the pre-read published. The COO explained that this document had been drafted by the Secretariat based on WHO guidelines since UNOPS did not have such a policy in place.

Board Members requested that it was necessary to determine a set of principles for carrying out due diligence before the engagement of RBM Goodwill Ambassadors. In clause 5.4 and 5.8, it was recommended to clarify references to “UN Agency” to be more specific.

It was decided to proceed with the approval of the policy and, in parallel, for the Secretariat to work on the proposed designations, including due diligence review, for submission at the meeting in April.

Provided that the Secretariat would revise the policy in accordance with the recommendations received, the RBM Board unanimously approved the draft RBM Goodwill Ambassadors Policy of 31 January 2018 reference RBM/B08/2018/DP04 and tasked the Secretariat with its implementation. It was agreed that proposed designations, including due diligence, would be put forth for approval at the meeting in April 2018.
