

Social and Behavior Change Working Group

Updates from the RBM SBC WG

Co-chairs: Gabrielle Hunter & Mariam Nabukenya Wamala - Sept. 2021

Social & Behavior Change Working Group

Core objectives

- 1. <u>Coordination and networking</u>: Forum for exchange of malaria SBC best practices and experiences
- 2. <u>Technical guidance</u>: Promote theory-informed, evidencebased programming focused on behavior change at the country level
- 3. <u>Making the case</u>: Be a voice for allocating political, social, and financial resources to SBC as a core component of malaria control that cuts across all technical areas

MiP WG and SBC WG Synergies - Adapted from MiP WG

• Promote demand for IPTp and ITNs

SBCWG

- Encourage early and regular ANC attendance
- Provider behavior change to improve malaria counseling, data/reporting, and adherence to test and treat and IPTp guidelines
- Promote prompt care-seeking for fever
 - M&E for IPTp, ANC, ITN use, careseeking behaviors

RBM Partnership to End Malaria | Social and Behavior Change Working Group
