

Annual Plan for Technical Assistance Request from NMCP, RBM Partnership to End Malaria, 2018

1. Eastern and Southern Africa

Country	Description of Technical Assistance needed	By Whom/ Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Botswana	TA for the finalization of the Global Fund Transition Request Documents for Submission to GF	RBM												
	TA for the development of the NSP	WHO/RBM												
	TA during GF Grant Making Process	RBM												
	TA for efficiency Study	WHO												
Burundi	TA to Conduct Malaria Program Review (MPR)	WHO/RBM												
Comoros	Finalisation de la demande de financement	RBM												
	Consultant et le financement de l'élaboration	WHO												
	Plan de riposte aux épidémies du paludisme	WHO												
Djibouti	TA to support documentation of factors contributing to the steady increase of Malaria cases in Djibouti	WHO												
	TA to support to conduct Malaria Program Review (MPR) for Djibouti	WHO /RBM												
	TA to support development of malaria contingency plan 2018-2023 for Djibouti	WHO												
	Support for 1 or 2 people to participant in external evaluation phase of Burundi (MPR) in preparation of conducting Djibouti MPR in May 2018													
Eritrea	Analyze and Write a report on Vector Bionomocs Study conducted from Sept 2017 to March 2018	WHO												
	Develop malaria stratification (Produce up-to-date malaria risk maps).	WHO												
	Train malaria and IDSR staff on epidemic forecasting methods for malaria.	WHO												
	Train malaria and IDSR/HMIS staff on practical aspects of initiating Surveillance for Malaria Elimination (including foci detection, delineation, mapping, investigation etc...)	WHO												
	Support in establishing Malaria Elimination Surveillance System	WHO												
	Follow-up of the established Malaria Elimination Surveillance System	WHO												
	Training relevent health personnel on Spray operations and spraypump maintenance (only financial assistance required)	Local (MOH)/WHO/GF												

Country	Description of Technical Assistance needed	By Whom/ Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Ethiopia	Support Ethiopia NMCP with process evaluation of LLIN Mass Campaign Distribution	RBM/AMP			■	■								
	Peer learning visit to Zambia and Zimbabwe	GF/E8/RBM			■									
Madagascar	Workshop and international consultant for Produce a pré-elimination guideline	WHO				■								
	Workshop and international consultant to Conduct a rapid Impact assessment	WHO					■							
	Workshop and international consultant for Elaborate a vector fight plan	WHO										■		
	Workshop and TA for Integrated vector management	WHO											■	
	Workshop and international consultant to Develop a monitoring and evaluation plan of SBCC	WHO						■						
	TA to Update a SBCC plan	WHO/RBM								■				
	TA to develop Protocols for monitoring entomological indicators, analysis of the relevance of known entomological indicators according to the vector control strategies	WHO					■							
	TA to Development of the National Plan for the Management of Resistance of Malaria Vectors to Insecticides	WHO				■								
	TA for Development of Vector Mapping and Distribution of Entomological Inoculation Rates of the Main Vector Species by Strata	WHO										■		
	TA for Climate data and vector monitoring (analysis of the relevance of pre-imaginal stage monitoring in disposal areas, establishment of a tool for risk assessment, monitoring planning, protocol development)	WHO										■		
	TA to Support for the adaptation of the protocol for evaluating the integrity and efficiency of the MIDs (according to the new Malaria Strategic Plan)	WHO						■						
	TA for Assessment of the relevance of larval control as a complement to control strategies according to the new stratification of Malaria in Madagascar	WHO										■		
TA to Update a protocol of assurance quality and quality control in NMCP Laboratory	WHO										■			

Country	Description of Technical Assistance needed	By Whom/ Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Malawi	TA for LLINs mass campaign (technical)	AMP/PMI/RBM												
	TA for LLINs mass campaign (technical)	AMP/PMI/RBM	■	■	■	■								
	TA for LLINs mass campaign (Logistics)	AMP/PMI/RBM	■	■	■	■								
	TA for LLINs mass campaign (Communication)	AMP/PMI/RBM				■	■	■						
	TA for LLINs mass campaign (technical)	AMP/PMI/RBM				■	■	■						
	TA for LLINs mass campaign (Logistics)	AMP/PMI/RBM				■	■	■						
	TA for LLINs mass campaign (technical)	AMP/PMI/RBM							■	■	■			
	TA for LLINs mass campaign (Logistics)	AMP/PMI/RBM							■	■	■			
	TA for LLINs mass campaign (Data Management and Report Writing)	AMP/RBM										■	■	■
Mozambique	TA to Establish the NMCP organigram and ensure Programme staff, at all levels, have the required capabilities to perform their roles 1. Review, update and extent to all levels, the NMCP needs assessment on required skills, resources 2. Review and approve NMCP organigram, defining clear roles and responsibilities	WHO												
	TA Ensure effectiveness of programme management 1. Introduce performance-based incentives (PBI) to improve staff retention 2. Develop guidelines on risk management	WHO						■						
	TA to Define and strengthen the function of effective coordination mechanisms at all levels 1. Develop external communication plan 2. Develop a Stakeholders Management Plan	RBM							■					
	TA to Effectively plan SBCC interventions 1. Review and update existing national SBCC strategy	RBM				■								
	TA to Establish a comprehensive, integrated Malaria Information Storage System 1. Develop and establish a feedback mechanism	WHO				■								
Namibia	TA to support the development of the new IEC/BCC guideline	WHO/RBM							■					
	TA to support the development of surveillance and epidemics preparedness guidelines	WHO								■				
	TA required to share the elimination concept during Senization of regional teams and stakeholders on the new MSP 2017-2022	WHO									■			

Country	Description of Technical Assistance needed	By Whom/ Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Rwanda	TA to support development of the Malaria financial sustainability plan TA to support the costing of the Malaria Contingency Plan 2016-2020	RBM/PMI/CHAI				■								
	TA to support protocol development of the pilot implementation of Ivermectin through MDA	WHO				■								
	TA to support protocol development of the pilot implementation of PBO nets in 4 districts	WHO				■								
	TA to support design the the housing improvement piloting project for malaria control in Rwanda	TBD						■						
	TA to support Mid-evaluation of the Extended MSP 2013-2020	WHO/RBM												■
Somalia	Training for malaria QC staff on malaria laboratory	KEMRI/WHO						■						
	Malaria case mgt team training	AMREF/WHO								■				
	Development of business plan	RBM					■							
	Training for malaria staff on M and E	AMREF/WHO					■							
South Africa	Development of business plan for Health Promotion activities	RBM			■	■	■							
	World Malaria Day	WHO				■								
	Malaria Programme Performance Review (MPR)	WHO/RBM				■								
	Drafting of the Malaria Strategic Plan	WHO/RBM								■				
	2019 IRS Launch	NMCP/E8								■				
	SADC Malaria Day	NMCP/E8									■			
	Establish additional surveillance team in Limpopo and Mpumalanga	NMCP/E8												
	Cross-border meeting for IRS harmonisation with Zimbabwe in LP	E8												
South Sudan	Technical support for MIS data analysis and interpretation	WHO				■								
	Technical support for MPR planning	RBM/ WHO											■	
	Conduct peer learning visit for GF grant management in Countries with zero cash policy	RBM/ WHO								■				
	Technical Assistance to implement VMS	WHO						■						
	Technical support for conducting malaria clinical audits	WHO										■		
	Technical consultant to support TET data analysis and report writing	WHO				■								

Country	Description of Technical Assistance needed	By Whom/ Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
	Technical support for implementation of DHIS2 including training	WHO												
	Epidemiological Approach in Malaria Control Training	WHO												
	Technical and financial support for training on malaria data quality review	WHO												
	Stratification of malaria transmission	WHO												
	Consultant to develop a malaria communication strategy and SBCC guidelines	WHO/ RBM												
Sudan	TA for Malaria Programme Performance Review (MPR) for thematic areas (IVM, Case Mgt, PM, PSM and SM&E) for the desk review and field work	WHO/ TGF/RBM												
	TA to Update NSP 2018 - 2020 including IVM strategic Plan	WHO/ TGF/RBM												
	Malaria Risk Mapping - Compile the data and production of maps	WHO/ DFID-UK												
	Health Facility Survey 2018-Protocol, survey manual, field work and report writing	WHO/ TGF												
	Implementation of the HRP2 gene deletion study in Gadarif & Kassala states.	WHO												
	Rapid Impact Assessment- Design study protocol, collect and compile data needed for generating malaria trend from routine data and triangulation other source of data and report writing	WHO												
Swaziland	TA for Classification of malaria cases in the country	WHO												
Tanzania Mainland	Development of annual workplan 2018/2020	WHO												
	Review of malaria strategic plan	WHO/RBM												
	Development a template for malaria bulletin for weekly data, to be produced quarterly	WHO												
	Development of annual workplan 2019/2021	WHO												
Uganda	Development of ALMA score card customised to Uganda HMIS	ALMA												
	Development of Business plan for Uganda Malaria Reduction Strategic Plan (UMRSP)	RBM												
	Development of Costed Mass Action Against Malaria (MAAM) concept	RBM												
	Development for costed Strategic plan, Annual plan for Uganda Parliamentary Forum on Malaria (UPFM)	WHO/RBM												

Country	Description of Technical Assistance needed	By Whom/ Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
	Development for Malaria Multisectoral framework & Plan	RBM												
	Conducting a skills needs assement for NMCP staff and design a training programme	WHO												
	Designing web based e-marketing platform for SBCC	WHO												
	Design of entomological data base	WHO												
	Design Programe Management system	WHO												
	Design Logistics system for Malaria comodities	RBM												
	Design Uganda Malaria portal													
Zambia	Consultant support with development of NMESP 2017-2021 'Business plan' for resource mobilization	RBM												
SADC	Consultant for SADC Malaria Strategic Plan (MSP) development and meeting for review	WHO/RBM												

2. Western and Central Africa

Country	Description of Technical Assistance needed	By Whom / Partner	Quarter 1			Quarter 2			Quarter 3			Quarter 4		
			Jan	Feb	Mar	April	May	June	July	Aug	Sept	Oct	Nov	Dec
Benin	Design a national costed malaria operational plan					■	■							
Burkina Faso	Conduct a Mid-Term Review of the national strategic plan 2016-2020	WHO/RBM								■	■			
	Update of the National Strategic Plan 2016-2020 based on the MTR	WHO/RBM										■	■	■
	Conduct a study to analyze the increase malaria incidence rate based on the routine health information system						■	■						
CAR	Update of the National Strategic Plan based on the MTR findings	WHO/RBM				■								
DRC	Conduct a Mid-Term Review of the national strategic plan	WHO/RBM							■	■	■	■		
Ghana	Development of a plan to strengthen inter-country cross collaboration for Seasonal Malaria Chemoprevention (SMC)							■						
	Support funds mobilization advocacy for Northern region	RBM					■	■						
	Support the update of national MIP, anti-malaria drug policy and other case management related guidelines							■						
	Develop national pharmacovigilance plan	WHO /RBM						■						
Mauritania	Update the National Strategic Plan 2014-2020 based on the MTR findings	WHO/RBM				■								
	Develop a Global Fund funding request proposal aligned with the updated National Strategic Plan 2014-2020	RBM				■								
	Support planning and implementation of a national IRS plan						■							
	Elaborate a national SMC strategy					■								
Mali	Update the National Strategic Plan based on the MTR findings	WHO/RBM				■								
	Develop a Global Fund funding request proposal aligned with the updated National Strategic Plan	RBM				■								
Gabon	Support Resources mobilization (donors roundtable ?)	RBM					■	■						
	Formulate a national communication strategy for malaria	RBM						■						
	Provide technical assistance in the establishment of sentinel sites surveillance system ?						■			■				
Equatorial Guinea	Support the preparation of donors roundtable	RBM				■								
	Hold a donor roundtable meeting	RBM							■
