

# RBM Partnership positioning for the future

**CRSP Meeting, Kampala Uganda  
2 October 2023**

# The burden

- 1 Heaviest in the **African Region** - estimated 95% of cases and 96% of deaths
- 2 In 2021, there were **247 million cases** of malaria worldwide and **619,000 deaths**
- 3 It disproportionately affects people in **poor** communities
- 4 Nations rely on external **funding** which is not sustainable

# A Perfect Storm

1 Biological threats

2 Climate and Health

3 Finance

4 Insecurity

**Children, pregnant women and vulnerable communities are most affected!**

# Community-level challenges

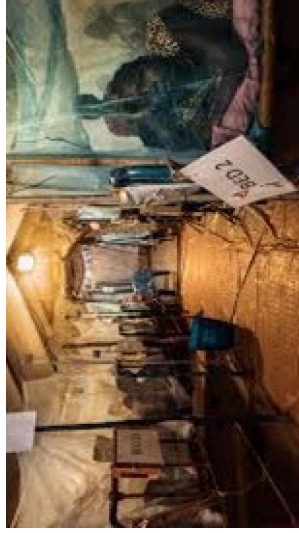

Cases are going up

Competing priorities

Limited resources

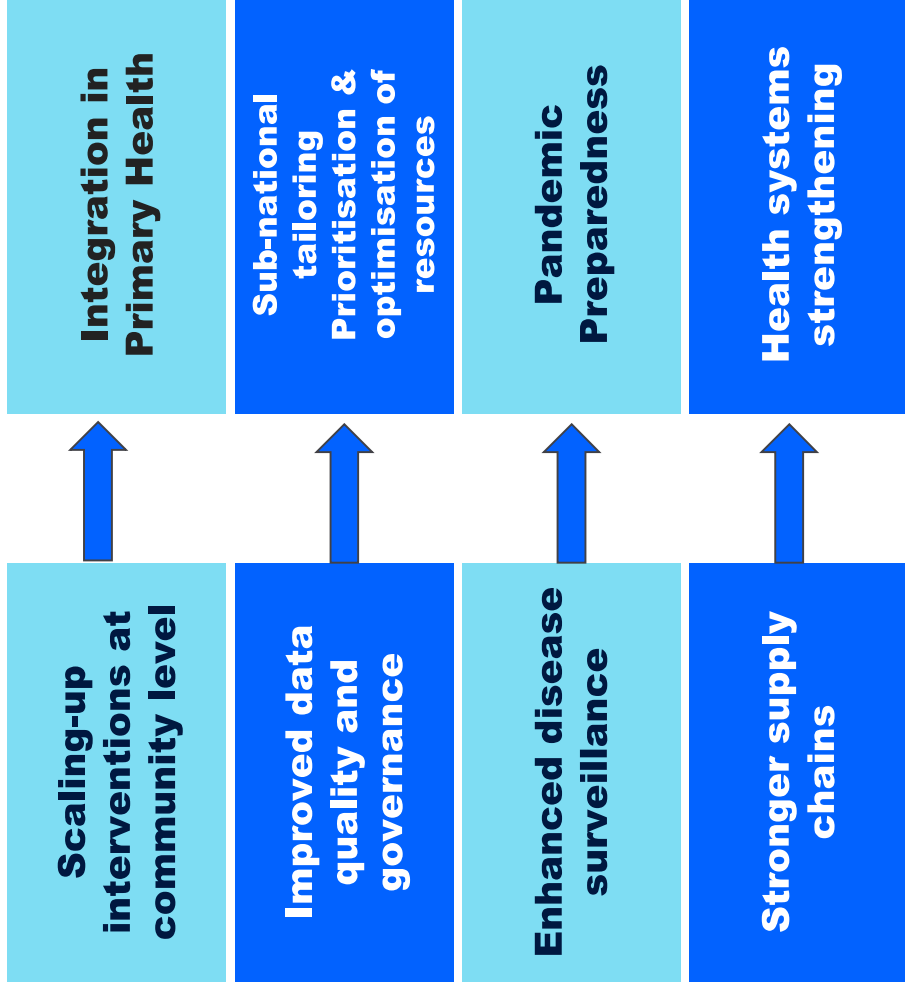

\$1.5bn funding gap to sustain current levels - \$3.8bn is needed

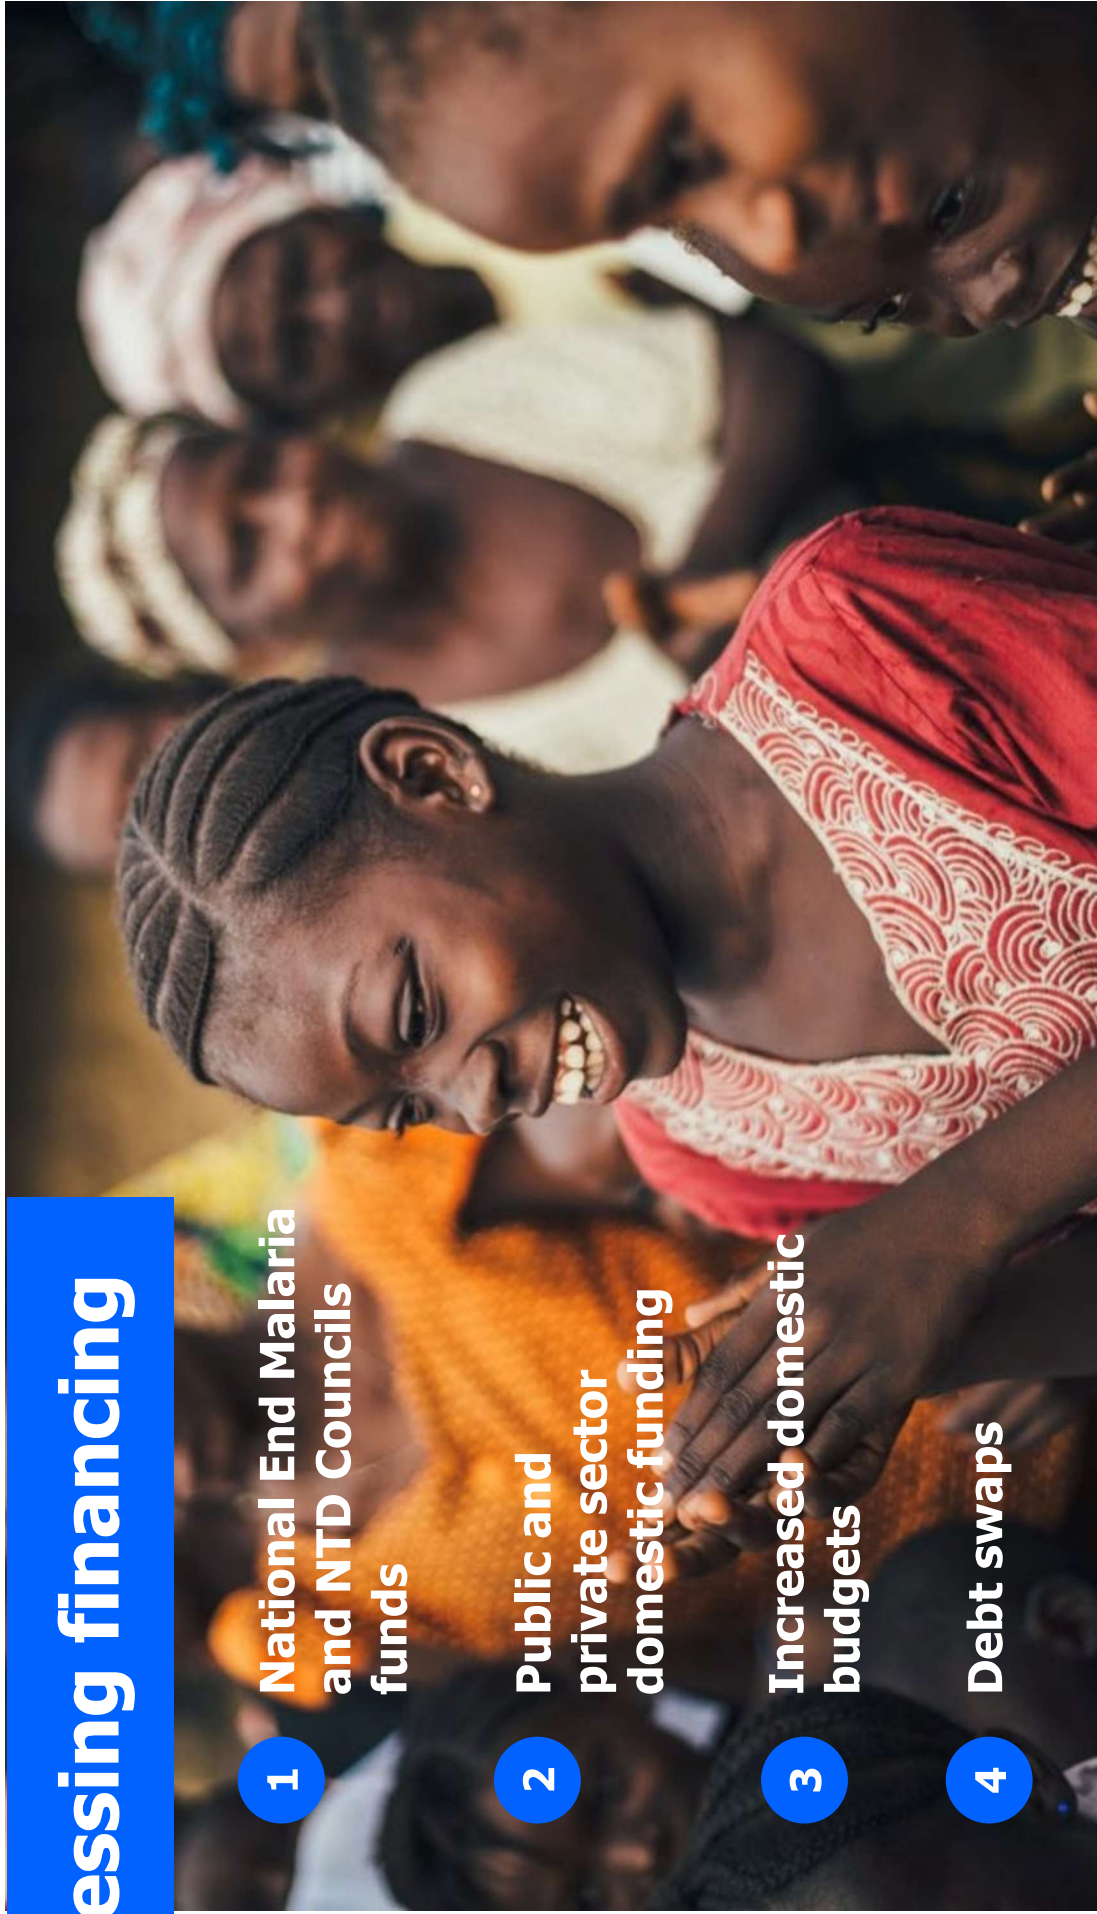

*We need fully financed country-specific strategic plans*

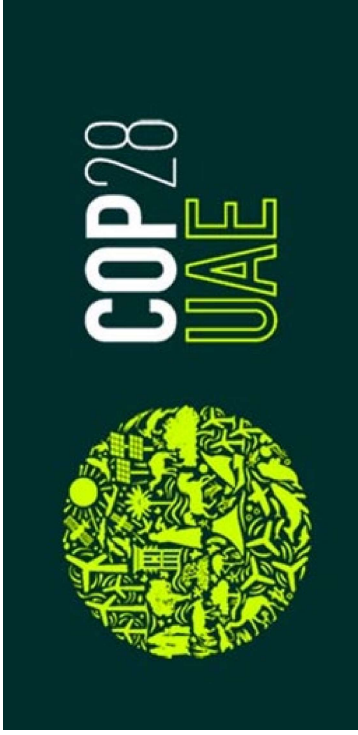

# Using malaria solutions to strengthen health systems

# Addressing financing

- 1 National End Malaria and NTD Councils funds
- 2 Public and private sector domestic funding
- 3 Increased domestic budgets
- 4 Debt swaps

# Leveraging Opportunities

\* COP28

\* African Union Summit 2024

\* World Economic Forum 2024 - Davos

\* Many more ...

# Strengthening our partnership

- 1 **Representative Board**
- 2 **Revitalised RBM team**
- 3 **Strategic implementation planning**
- 4 **PC and Working Group Coordination**

**Partnership**  
To End Malaria

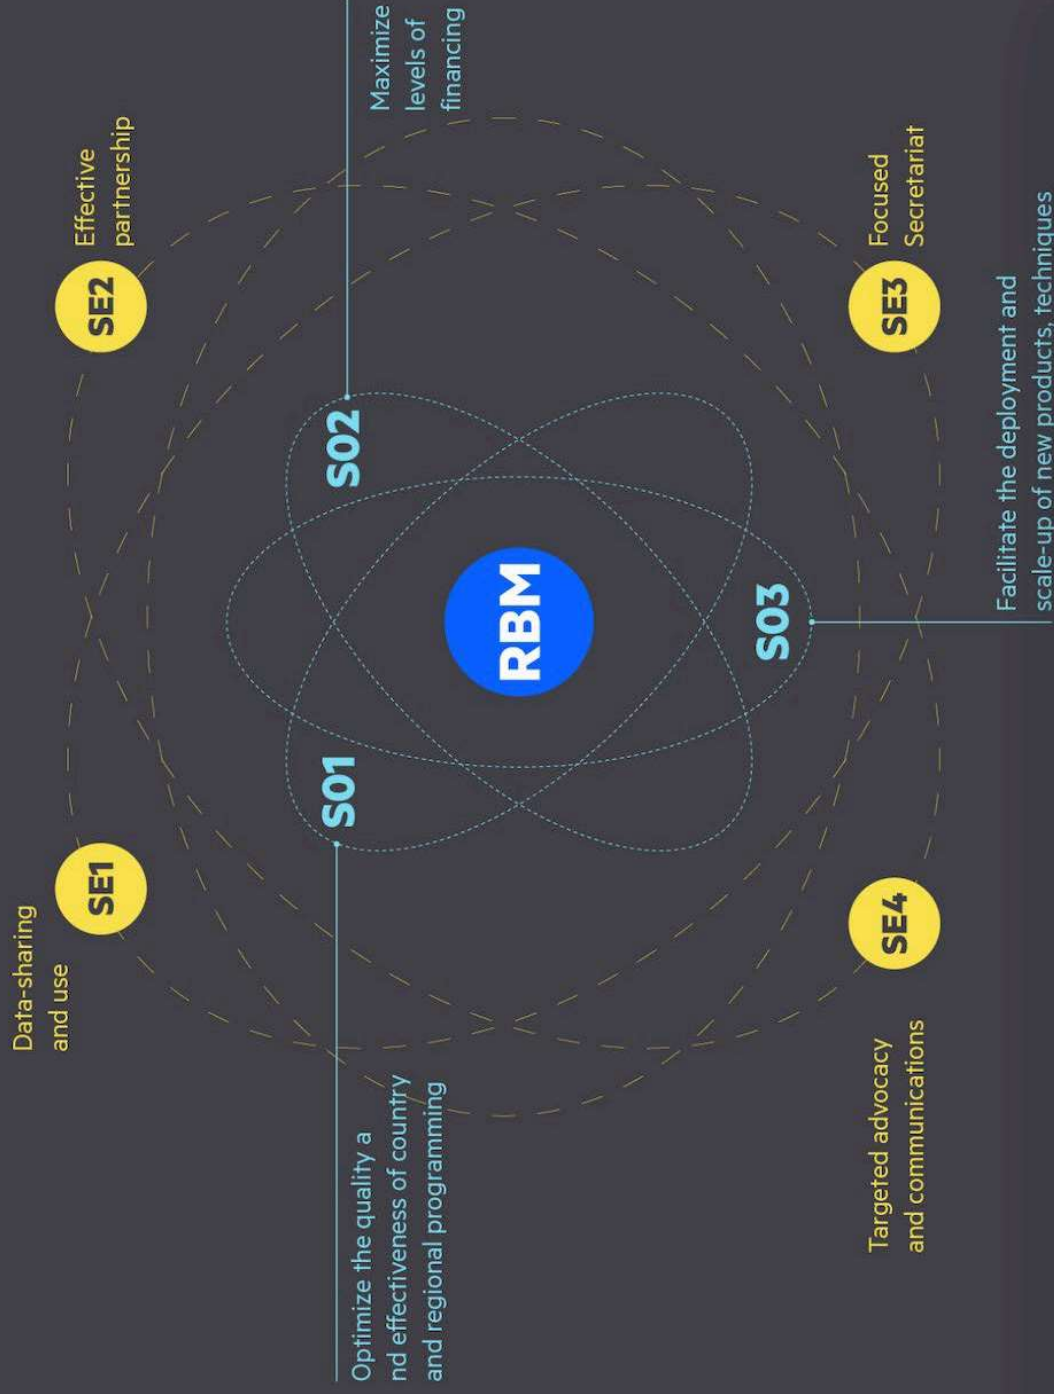

# Strategy framework 2021-2025

## Strategic Objectives

### Cross-cutting Strategic Enablers

#### Mission

To convene and coordinate an inclusive, multisectoral response to control, eliminate and ultimately eradicate malaria.

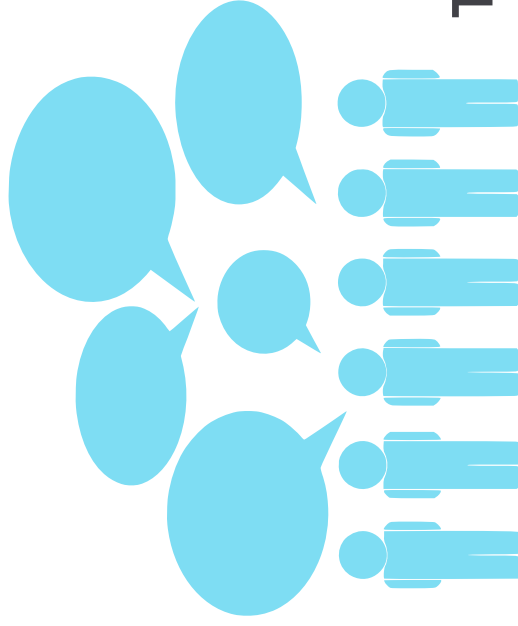

#endmalaria

# Seeking your input and ideas

In what ways can the RBM Partnership work to further....

**Topic 1: Country implementation**

**Topic 2: Funding national programmes**

**Topic 3: Introduction of new tools**

**2 consultative sessions at the end of Day 1 and Day 2**

# Thank you!

**As a Partnership we have the very real opportunity to  
come together and save even more lives**
